Power your way through the day.

IsaLean Bars are delicious and protein-packed meal replacements. Satisfy yourself with these nutritionally complete and low-glycemic bars.

What should I know about IsaLean Bars?

- Our exclusively sourced bars are packed with high-quality, undenatured whey protein from cows that are pasture-fed and not treated with hormones or antibiotics. The whey protein is low in lactose and high in branch-chained amino acids for maintaining muscle and promoting muscle growth.

- IsaLean Bars are packed with premium nutrition that includes a balanced ratio of high-quality protein, healthy fats and energy-boosting carbohydrates. This nutritional profile slows the absorption of sugars into the blood stream making it a low-glycemic, balanced meal that reduces cravings and keeps you satisfied for hours.

- With the addition of two new flavors, Lemon Passion Crunch and Chocolate Decadence, now there is an IsaLean Bar for everyone! These delicious new flavors contain the same nutritional profile as our other bars, only they have special stress-fighting adaptogenic botanicals like acai fruit extract, goji berry extract and astragalus root that provide your body with even greater support.

How can I benefit from eating IsaLean Bars?

WHY ARE ISALEAN BARS SO IMPORTANT FOR THE BODY?
IsaLean Bars provide balanced nutrients to maximize nutrition while minimizing calorie intake for safe weight loss. IsaLean Bars contain superior nutrition compared to other meal replacement bars on the market.

HOW DO ADAPTOGENS AFFECT THE EXPERIENCE OF THE LEMON PASSION CRUNCH AND CHOCOLATE DECADENCE ISALEAN BARS?
The adaptogenic botanicals provide additional antioxidant support and also support the body under stress.

WHY ARE THERE STRESS FIGHTING ADAPTOGENIC BOTANICALS IN ONLY THE LEMON PASSION CRUNCH AND CHOCOLATE DECADENCE ISALEAN BARS?
We understand the importance of offering options that fit different needs and preferences. Some people are simply looking for a low-calorie, high protein meal replacement, while others prefer a meal replacement bar that is fortified with additional herbs such as adaptogens for extra support when the body is under stress.

IF I AM SUGAR AND CARBOHYDRATE CONSCIOUS, SHOULD I CONSUME ISALEAN BARS?
Yes, IsaLean Bars are complete meal replacement bars with a balanced ratio of quality protein, carbohydrates and fats that work in synergy to slow the absorption of sugar, which makes the bars low-glycemic. Also, the carbohydrate and sugar count is relatively low when compared to other meal options.

WHY IS IT IMPORTANT TO CHOOSE A MEAL REPLACEMENT BAR THAT IS HIGH IN PROTEIN LIKE ISALEAN BARS?
More and more studies are revealing how important protein is on satiety. Evidence is also emerging regarding the role that branched-chain amino acids play in stimulating protein synthesis, fueling muscle maintenance and growth. The high-quality protein in IsaLean Bars help support weight loss and management by curbing hunger and keeping you satisfied longer. It also helps to both promote muscle growth and maintain muscle as you age.
