

# Peter's Weight Loss Story

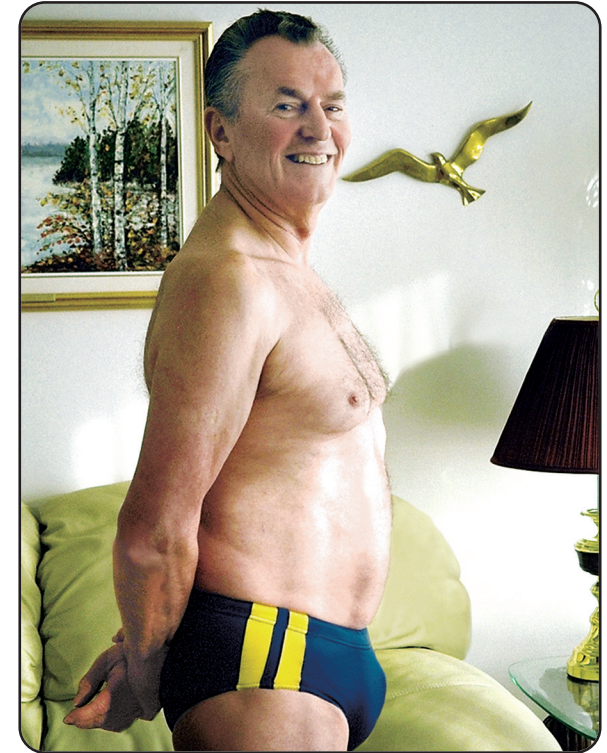

31 Pounds . . . and . . . 7 full inches - ALL off his Waist !

**BEFORE ISAGENIX CLEANSE**

**IN PROGRESS**

**AFTER ISAGENIX CLEANSE**

- I started my career as an Engineer in the Corporate world ~ then water filtration partnership with fellow Engineers ~ then Real Estate . . . then Network Marketing . . . and Isagenix.
- Who would have thought that in my Golden Years, I would use my Body to make my Fortune ! Here's my story . . .
- At 67 years of age, I suddenly (more or less suddenly) discovered that my weight had gradually increased ~ my body was getting "out of control".
- So ~ when I heard about the Isagenix Cleansing Program ~ I thought that I could tolerate the days of suffering for this good cause.
- To my pleasant surprise ~ there was no suffering ! Instead, the Cleanse For Life Drink ~ as well as the Shakes and Snacks tasted great.
- I felt energized, not hungry, not nervous or jittery, and not sleepy at all. In fact, I felt great . . . very alert, sharp and light-footed.
- Then came another Life-Changer. Others noticed my body transformation and wanted to know my secret. I couldn't hold back.
- Isagenix has a unique marketing system where they pay us for referrals. So we can earn income by sharing our story.
- Now it's 14 years later . . . I'm now 81 . . . I feel and look like 61 . . . still clean and lean . . . and earning lots of green \$\$\$\$ !

**Now 83 . . . Feels like 63  
 Still Clean and Lean !**

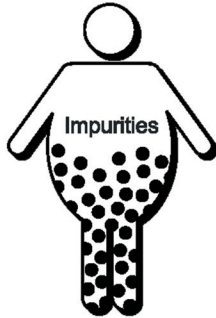

# Nutritional Cleansing Helps the Body to Purify and Drop Weight and Inches . . . SAFELY . . .

Impurities accumulate over time in your body and are often stored in the FAT cells in your body. ISAGENIX® helps your body to cleanse itself. When impurities are released ~ the fat does not have any reason to stay. It makes perfect sense. Really simple.

## TRADITIONAL DIET vs CLEANSING

### Traditional Diet

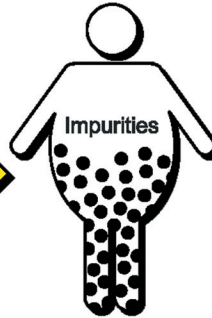

Fat stored to protect from impurities
