

JOINT SUPPORT

Feel the difference

A once-daily joint support supplement to help maintain normal joint flexibility, mobility, and function. Made with science-backed natural plant-based ingredients including Q-actin®.

Why You'll Love Them

- Experience soothing joint comfort that helps reduce stiffness and aches.
- Supports normal joint flexibility and range of motion so you can conquer your day without limitations.
- Helps maintain healthy joint strength and helps reduce cartilage breakdown to confidently move your body.
- Available in a convenient, raspberry-flavored gummy.

What's Inside

- A clinical dose of **Q-actin®**, a scientifically tested, patented ingredient derived from heirloom cucumbers that provides significant support for joint comfort, mobility, and function.
- **MCT oil**, from coconuts, is a concentrated source of good-for-you fatty acids.
- Delicious **raspberry flavor** makes taking care of your joints a treat.
- **Made with natural ingredients.** No artificial colors, flavors, or sweeteners.
